

The image features the classic Disney logo, which is a silhouette of Mickey Mouse's head. The word "Disney" is written in a stylized, blue, serif font across the face of the head. The letter "D" is significantly larger than the other letters and is filled with a light blue gradient. The letters "I", "S", "E", and "Y" are also filled with a light blue gradient, while the letters "N", "S", "E", and "R" are solid dark blue. The entire logo is set against a white background.
